3. Definition of a Complaint A complaint is any expression of dissatisfaction, whether justified or not, about our products, services, staff, or complaint-handling process itself.

4. Acknowledgement We will acknowledge all complaints within 1 business day. For complaints received outside business hours, acknowledgement will be sent on the next business day.

5. Investigation & Resolution We aim to resolve all complaints within 5 business days. Complex complaints may take up to 15 business days. The customer will be kept informed of progress throughout. A named case handler will be assigned to every complaint.

7. Damaged or Faulty Goods If a product arrives damaged or develops a fault within 30 days of purchase, the customer is entitled to a full refund or free replacement at their choice. Photographic evidence may be requested to expedite the claim.

8. Escalation If a customer is not satisfied with the initial resolution, the complaint may be escalated to a senior customer service manager within 3 business days. The customer will receive a final written response within 5 business days of escalation.

9. Record Keeping All complaints are logged in our CRM system. Records are retained for 3 years to support trend analysis and regulatory compliance.
