We want you to be completely satisfied with your purchase. This policy explains how to return items and obtain a refund.

You may return most items within 30 days of the delivery date for a full refund. Items must be unused, in their original packaging, and accompanied by proof of purchase.
- 3. Non-Returnable Items**
The following items cannot be returned: perishable goods, digital downloads once accessed, personalised or custom-made items, hazardous materials, and items marked 'Final Sale'.
- 4. Faulty or Incorrect Items**
If you receive a faulty, damaged, or incorrect item, you may return it at any time within the statutory warranty period (12 months) for a full refund, replacement, or repair at your discretion.
- 5. How to Initiate a Return**
Step 1: Contact our support team via chat, email, or phone. Step 2: Provide your order number and reason for return. Step 3: You will receive a prepaid return shipping label by email. Step 4: Pack the item securely and drop it at any approved courier point. Step 5: Track your return using the label reference.
- 6. Refund Processing**
Once we receive and inspect the returned item, your refund will be processed within 3-5 business days. The funds will be returned to your original payment method. You will receive a confirmation email. Card refunds may take an additional 5-10 business days to appear.
- 7. Partial Refunds**
Partial refunds may be issued for items that are returned in a condition other than original, missing accessories, or after the standard return window at the discretion of the returns team.
- 8. Exchange Policy**
Exchanges will be processed as a return followed by a new order. If the replacement item is of higher value, you will be charged the difference. If lower, the difference will be refunded.
- 9. Return Shipping Costs**
We provide a prepaid return label for faulty or incorrectly sent items. For change-of-mind returns, a flat return shipping fee of £3.99 will be deducted from the refund.
